**IIT Bombay**

12 October 2015

Dear Sir/Madam,

**Subject: Invitation to participate in SciPy India 2015.**

The FOSSEE project based at IIT Bombay invites the faculty members, students and staff of your institution to SciPy India 2015. SciPy India is an annual conference that is currently in its seventh year and provides an opportunity to learn and use Python in education and research.

Python is an interactive, easy to learn, open source, extensible programming language that is well suited for a variety of tasks including scientific computing. It is likely that you will find Python to be an effective (and often superior) substitute for commercial tools used in your institution. To know more about Python, please visit <http://www.python.org>.

The details of SciPy India 2015 are as follows:

Venue: LH 102, IIT Bombay

Date: 14 -16 December, 2015

For further information about the conference and registration, please visit: <http://scipy.in>. Please find enclosed a poster for the event. You may kindly display the same on notice boards and share the news with faculty members, students and others who might be interested. We look forward to your active participation in SciPy India 2015.

Thanking you.

Regards,

Dr. Prabhu Ramachandran

(Conference co-chair)

Project Investigator - FOSSEE, IIT Bombay
