

Console

The solution of this equation by newton raphshon after 4 Iterations is 2.00000

The solution of this equation by newton raphshon after 5 Iterations is 2.00000

The solution of this equation by newton raphshon after 14 Iterations is -0.95732

The solution of this equation by newton raphshon after 10 Iterations is -0.95732

At the end of the 4th iteration by mullers method, the root of the equation is 2.00000
